Leaders

Patients  
First

# VISIONARY FOCUS RESILIENCE ADAPTABILITY

The Termeer Institute is a catalyst for innovation that brings life-changing treatments to patients worldwide. We support and empower brilliant life science leaders to advance groundbreaking, patient-centered solutions.

The Termeer Institute is proud to partner with companies committed to advancing leadership and innovation in biotech. Corporate sponsors play a vital role in ensuring that emerging leaders have the skills, mentorship, and community they need to bring life-saving therapies to patients.

# The following 2026 events are included in our Signature Corporate Sponsorship Packages:

DATE	EVENT NAME	EVENT DESCRIPTION
March 2026	<b>Termeer Summit: CEOs for Cures</b>	Our flagship annual gathering of Fellows, alumni, mentors, and industry leaders. Sponsors receive premier visibility at this high-profile convening of biotech luminaries and leaders.
April 2026	<b>Class of 2026 Welcome Reception</b>	A celebratory dinner to meet and welcome the Class of 2026 fellows and convene with the Institute's closest community members, including mentors, advisors, and board members. A prime opportunity for brand recognition and engagement with Institute stakeholders.
June 2026	<b>BIO Reception</b>	Hosted during the global BIO International Convention, this reception highlights the Institute on an international stage and connects sponsors with close members of the Termeer Network.
October 2026	<b>Appreciation Breakfast</b>	Annual breakfast to honor those who sustain the Institute's mission – our advisors, board of directors, mentors and programmatic advisory board members. Sponsors demonstrate their support for leadership and mentorship in biotech.

We also welcome discussions to create tailored sponsorship opportunities that align with your company's goals and values. These can include support for specific programs, events, or initiatives that advance the Institute's mission.
